

EMMA GOLDMAN IN CHICAGO HAS FLING AT POLICE

Taunts Them With Not Fin-
ing Her, and Says She Will
Defy Shippy's Men.

CHICAGO, March 6.—Emma Goldman, the so-called mistress of Anarchy, spent yesterday in Chicago keeping clear of the police and resting with friends at No. 50 North Winchester avenue. She has been here since Monday night. Miss Goldman was in good humor when she was discovered by a reporter. The police had not seen her, but Assistant Chief Chuetter said he was not seeking her.

"Of course I did not expect to be found," she said. "I am too well acquainted with police stupidity to expect such a thing as that. I expect to go out to-morrow and go about my business as usual, and if the police want me of course they will arrest me. But I want to see what charge they can make against me."

"How about the report that you are liable to be deported by the government under the law forbidding the admission of foreign anarchists to this country?" "There's nothing to it. It was talked of when I returned from Europe last fall, but the government authorities could find no law for it."

"Are you a naturalized American citizen?"

"I am. My father was naturalized when I was seventeen years old. That made me an American citizen when I became of age."

Miss Goldman said she would go right on with her plans for meetings and would hold them unless stopped by the police. However, she found her way blocked last night by inability to secure a hall. The owners of all public halls in the city have been notified that the license would be revoked in the case of anyone who allows Miss Goldman to speak.

To the mystery surrounding his life and that in the motive for his attack on Chief of Police Shippy, another mystery was added last night when the body of Lazarus Averbuch disappeared. The body was sent from the County Morgue to be taken to Dunning in the afternoon. It was to be buried in the Potter's Field, but it failed to reach the poor farm.

"I hired an undertaker to take the body away and see to the burial," said Coroner Hoffman.

Late in the afternoon, Superintendent of the County Morgue said: "The body was taken to the Potter's Field in the county wagon."

The body, however, failed to reach Dunning. Whether friends of the dead anarchist, agents in the employ of the sister, or medical students spirited it away is not clear just yet.

Assistant Chief of Police Schuetler asserted today that he is not watching Emma Goldman, the anarchist, who is scheduled to deliver several addresses in this city. She can speak the assistant chief declared, all that she wishes in private. Regarding however, a report that she intended to make an address in Metropolitan Hall, he said:

"If she talks there we will clean out the hall. A permit was granted for the meeting on the express understanding that Emma Goldman was not to make an address. If the owners of the hall violate their agreement we will stop the thing entirely."

STILL AFTER CHIEF SHIPPY IS ANARCHIST WARNING.

ST. PAUL, Minn., March 6.—The Volks Zeitung, a German newspaper published in St. Paul, received a letter yesterday supposedly from Anarchist sympathizers in Minneapolis. The paper has been commenting on the recent attempt of the life of Chief of Police Shippy, of Chicago. The letter, which concludes with the statement that Chief Shippy is "not going to escape from his executioner," is translated from the German as follows:

"You better cease your insults against us in your beastly paper, be warned; you will repent later. Threats of our chief here in Minneapolis cannot intimidate us because he knows very little about anarchy force. If he knew anything he would then have our police in better shape. Anybody with the necessary money can become a police officer here. Therefore, quit your writing against our party. We will give you some fresh air. We know where to find you. Whatever our brothers do in Chicago is none of your business here. This banish chief Shippy is not going to escape from his executioner."

The Value of Any Piano

is judged more from the satisfaction it gives than the number of dollars spent in its purchase.

The Pease Pianos are not cheap pianos, but in proportion to their high quality and the satisfaction they give the prices are very low.

Sixty-four years of experience in piano building has shown us how to build a piano of great durability, to which fact over 78,000 purchasers of Pease Pianos will bear witness.

Our 3-year payment plan is most economical, and we have slightly used pianos of many makes from \$125 up.

"CHINESE MIKE" ARRESTED FOR MURDER IN 1906

Sharp-Eyed Detectives Catch
Slayer Strolling on the
West Side.

Michael Hurley, widely known in the underworld as "Chinese Mike" and who owes some of the notoriety he enjoys to the fact that he is a brother of "Bull" Hurley, was arrested to-day by Detectives Valley and Collins of the Central Office.

Hurley's presence at the Detective Bureau had been desired since Dec. 1, 1906, when he shot Daniel McLaughlin in a street brawl. He was walking unconcernedly along Thirty-fourth street, between Seventh and Eighth avenues, when the detectives recognized him.

Hurley gave his occupation as "merchant" and his age as thirty-four years. He said he lived at No. 326 Pearl street.

"You may live in Pearl street," said Inspector McConerty, "and you may be some kind of a 'merchant' for all I know, but you are forty-five, if you are a day. I remember, in 1886, after you got out of Sing Sing, you and a gang of crooks tried to beat me up, and Detective Tom Brady clouted you so that you were in Bellevue for some time. You were more than thirty then."

On Dec. 1, 1906, Hurley and Vincent Shevlin, a Chicago crook, were walking with Daniel McLaughlin along One Hundred and Thirty-sixth street, when the first two quarrelled over the division of the loot, according to the detectives. Hurley drew his pistol and Shevlin thrust McLaughlin in the way.

McLaughlin received the bullet. The arrest to-day is the first that has been heard of Hurley since.

On April 10, 1895, Hurley was sent to Sing Sing for stealing a diamond out of the cravat of a plain-clothes policeman in a bridge game, and as James Monroe he served four months on a vagrancy charge, having been picked up at the Gloucester race track.

Vincent Shevlin, since the affair in which McLaughlin was shot, has killed his man and jumped his bail, according to Inspector McConerty. While the strike of long-sentence was on in Hoboken last spring he went over there and secured a job on the docks. In a saloon one night he was set upon by a crowd of strikers and accused of being a "scab". Shevlin fired several times, and a man who had taken no part in the fight was killed. Shevlin was released on \$1000 bail. He is said to be one of a noted family of Chicago crooks and has two brothers, John and Edward, who are prominent in their line of work.

TOLD BOY TO TAKE HER
BABY TO HIS MOTHER.

Letter from "Unknown" Asked Mrs.
James to Take Care of It
for Two Weeks.

As George James, thirteen years old, was standing in front of his mother's residence, No. 34 West Forty-fifth street, to-day, he was approached by a tall woman in a black gown and thick veil, who held a small bundle out to him.

"Take it," she said. "It's a baby, and I want you to give it to your mother with this letter."

The boy took the baby and the woman hurried away. Mrs. James said that she had no idea who the woman was, and turned the child over to the police, who sent it to the Bellevue Hospital.

The letter, which was signed "Unknown," requested Mrs. James to take care of the infant for two weeks, at the end of which time it would be called for. The baby is a boy about four weeks old, with a fair complexion and blue eyes. He wore a white slip and a pink flannel cloak and was wrapped in a small blanket.

FRANCE SUPPORTS RUSSIA.

PARIS, March 6.—France has given formal expression of her adherence to the views of the Russian Foreign Office regarding the construction of railroads in the Balkans. This means that she supports the projects of both Austria and Russia at Constantinople in the belief that they will ameliorate the situation in the Balkan States and facilitate the re-establishment of order in Macedonia.

BOY KING'S CHOICE OF GERMAN BRIDE OPPOSED.

LISBON, March 6.—The report that Emperor William of Germany will visit Lisbon this spring started the rumor here that arrangements were being made for the marriage of King Manuel, who came to the throne last month through the assassination of his father and brother, and Princess Victoria, only daughter of Emperor William.

The early marriage of King Emanuel is regarded as a necessity on the part of the government, but the English party at court is opposed to a German alliance.

If You Are In Good Form, Stay That Way

Men, and Especially Women, Who
Are Plump Are Most Liable
To Get Too Fat.

Many women, taking pride in getting plump, and just a little over-normal in weight, suspect that they are cultivating what is bound to result in a serious overload of fat. They are teasing it on, and it will surely come, to rob the victim of her cherished beauty, grace and form.

There never was a beautiful fat woman, nor a handsome fat man. Beauty is seen only in normal people and often even in those who are really lean.

One of the most wonderful things that Rengo does is to reduce the weight to perfectly normal, where the patient is neither too fat nor too lean.

This means that it does not take off so much flesh that it makes you look "ragged," but it takes just enough off to make you appear in perfect form. The flesh will be evenly distributed all over the body, and you will weigh just exactly what you should naturally weigh.

One of the surest ways to keep from getting fat is to take a little "Rengo" every few days. Don't fear that it will drag off too much flesh, because it will not reduce you below normal. On the other hand, Rengo is a health builder and it has been known to positively put flesh on very thin people and build them up to perfect weight and form. This shows what a powerful regulator it is. It is a beauty keeper and a beauty maker.

There is nothing "just as good" as Rengo. For sale by all druggists at \$1.00 per full sized box, or by mail prepaid, by The Rengo Co., 3254 Rengo Bldg., Detroit, Mich. The company will gladly send you a trial package free by mail, if you write them direct to Detroit; no free packages at drug stores.

For sale and recommended in New York by W. S. Rucker, 8th av. and 45th st., also 4th av. and 12d st., Kalish Pharmacy, 24th and 10th av., also 10th st. and Madison av.
